**Targeting Change Fund 2010/11 - approved applications**

Lead Organisation	Project Title	Area of impact
DCTP 11 - 19 Sub Group	<p><b>Out &amp; About weekends</b> The aim is to extend the range of positive activities available to 13 -19 year olds at weekend times through the extension of monthly offsite visits, trips and excursions for young people in the District. The trips will enable young people to engage in meaningful activities that will assist in developing new skills, knowledge and attitudes.</p>	District wide
St Albans City Youth	<p><b>David Beckham St Albans Partnership</b> To make an attractive football programme available to young people aged 6 - 14 in all school holidays, especially children from disadvantaged areas and those with a disability. To train up more community football coaches and to encourage young people to join our or other sports clubs.</p>	District wide
St Albans Cricket Club	<p><b>Cricket for all</b> The aim is to provide a new public cricket net facility and then a programme of courses to engage specific groups (juniors/girls/BME). The outcome will be to encourage a wider participation of the community in local cricket. The difference will be enhanced skills and better health for those young people participating, as well as providing diversionary activities.</p>	St Albans based although accessible for all
Bethany Churches	<p><b>Youth Centre Improvements</b> This capital project will contribute to improvements at Harpenden Youth Centre as a venue for existing and planned youth activities run by Youth Connexions and the Bethany Community Church, existing community activity run by Harpenden Gateway Club and other planned community activities. (New accessible training kitchen, disability equipment and IT suite furniture).</p>	Harpenden
Hertfordshire Police	<p><b>Volunteer Police Cadets</b> Establish a weekly police cadets scheme aimed at 13 - 18 year olds. Pilot based in Harpenden for the St Albans District. This will give young people a focus, help build confidence, teamwork and an understanding of the law. The objective is to give them an insight into policing, take responsibility in a given situation and build self esteem.</p>	Harpenden based although accessible for all
Healthier Communities & Older People Partnership	<p><b>Hot Wheels Network</b> A user-led organisation for physically disabled adults (18 plus). The aim is to provide a peer network to support individuals to access advice, the workplace and wider community engagement through enrichments activities planned and organised by the group themselves.</p>	District wide
	<p><b>Healthier Redbourn</b> Upgrade the Health &amp; Fitness Gym by replacing out of date equipment and providing a new programme of classes. Increasing physical, mental and emotional wellness, breathing new life into the centre and reducing the need for residents to travel to facilities</p>	Redbourn
